

# I created a few test cases in Cypress with JavaScript language.

---

Automated tests for the website <http://www.automationpractice.pl> written in Cypress.

## Setup Instructions

First, to start

```
npm install
```

Next, to start testing:

```
npx cypress open
```

## Test Cases:

- `loginTest.cy.js`
- `facebookButtonTest.cy.js`
- `formWithAttachmentTest.cy.js`
